Mission Sunday

19th October 2014

THAT YOU MAY HAVE LIFE

This Sunday's Gospel speaks about giving to Caesar what belongs to Caesar and to God what belongs to God. The message is that we are called to be good citizens of the countries and societies where we live, while at all time giving priority to our relationship with God. That relationship is made possible by the gift of faith.

We thank God that we have received that gift ourselves, and we do what we can to share that gift both locally and globally. Mission Sunday is part of that sharing.

The mission of the Church is to bring Jesus and his message of life, love and liberation to all humankind. On Mission Sunday we think about those who are at the forefront in bringing his message to the ends of the earth. We pray God's blessing upon them and we try to be generous in sharing from our abundance to respond to their needs.
