JESUS BEGINS HIS MINISTRY IN GALILEE

In this Sunday's Gospel we hear that Jesus withdrew to Galilee and made his home in Capernaum by the lake. Anyone who has been to the Holy Land will have visited Capernaum and will know that it is a beautiful place. In Jesus' time this was a thriving fishing town.

To '*repent*' literally means 'to turn around'. We are called to transformation, to turn away from what is not life giving and embrace a full life.

It's hard to imagine behaving in the same way as Simon Peter and Andrew, leaving everything behind them and following Jesus. There must have been something very attractive about Jesus. The account in Matthew is quite short but one wonders if they had heard him speak many times before this moment. It takes courage to drop everything and follow something new. Obviously, they were ready for it, it was the right moment and their hearts said 'Yes!'

These accounts are the beginning of Jesus' public ministry. Today perhaps you can reflect on moments you were called to something new and even though it meant leaving something behind, you knew it was the right choice. You were at peace with your decision despite the challenges it might bring. This process never ends, we are constantly called to '*repent*', renew, rediscover, seek out.
