No. 2. Vol 18. 23rd Sunday in Ordinary Time 4th September 2016

Recently Commissioned Kinsale Parish Catechists Emily O'Regan and Carmel Murphy write...

KINSALE PARISH CATHECHISTS

As we settle back into the new school year, we hope that students, parents and teachers will embrace the opportunities that will present themselves throughout the academic year. We also hope that any challenges which may arise will be overcome in a context of mutual support.

As recently commissioned Parish Catechists, we look forward to supporting parents and teachers as they prepare the children of the Parish for the Sacraments of Reconciliation, First Communion and Confirmation. We will be present when Fr Robert meets with the respective parents to discuss the value of Sacramental preparation.

There is also a new religious education programme **Grow in Love** which is now being taught to Juniors, Seniors, First and Second Class. This programme depends on parental involvement for its ultimate effectiveness and at Parish Level we would like to support parents in this endeavour. To this end, we, together with Fr Robert, would like to meet the parents of these classes on a school-by-school basis with a view to exploring how best to enhance the children's faith development through this programme.

We very much look forward to meeting you over the coming months.....
