## A SMILE

A smile costs nothing but gives much.

It enriches those who receive,  
without making poorer those who give.  
It takes but a moment, but the memory  
of it sometimes lasts forever.

None is so rich or mighty that he can  
get along without it, and none is so  
poor that he can be made rich by it.

A smile creates happiness in the home,  
fosters goodwill in business,  
and is the countersign of friendship.  
It brings rest to the weary, cheer to the  
discouraged, sunshine to the sad, and it  
is nature's best antidote for trouble.

Yet it cannot be bought, begged,  
borrowed or stolen, for it is something  
that is of no value to anyone until it is given away.  
Some people are too tired to give you a smile.  
Give them one of yours, as none needs a smile  
as much as he who has no more to give.
