No. 11. Vol 18. 32nd Sunday in Ordinary Time 6<sup>th</sup> November 2016

## CHILDREN OF THE RESURRECTION.

This Sunday's Gospel, the Sadducees are trying to trap Jesus using a slightly exaggerated and absurd case study. They have no faith in the resurrection and therefore do not grasp that in a place of peace, justice and freedom, people cannot be 'owned' or 'given'. We should not be too preoccupied with questions like theirs: 'Whose wife will she be?' 'Will I look old?' 'Will I have a body?' Questions like these ignore the radical freshness of the Kingdom of God.

We are all 'children of this world' who are called to be 'children of the resurrection'. You might recall today someone who has passed away, but who is very much alive because of their influence on people, their generosity and kindness and the difference they made to those around them. They are 'children of the resurrection'. They make huge sacrifices for the liberation of people around them, for those who need healing or are oppressed in any way. They 'cannot die' even though they, like Jesus, can be condemned by society.

*'You were born a child of light's wonderful secret – you return to the beauty you have always been'. Aberjhani*
