### MISSIONARY SISTERS OF ST. COLUMBAN

There will be a speaker from the Missionary Sisters of St. Columban at Masses next weekend (13<sup>th</sup> and 14<sup>th</sup> June).

*The Columban Sisters were founded in Ireland 93 years ago to help with the evangelization of China. Since then, we have spread to many other countries where we work to bring the joy of the Gospel to the poorest of the poor. Peru, Chile, Pakistan, Burma (Myanmar), the Philippines, Korea and Hong Kong are all areas of mission for the Columban Sisters, as well as the home countries of Ireland and Britain – in addition to the United States. We focus on the missionary aspect of the Gospel, a theme constantly emphasized by Pope Francis. We invite all who read these words, as baptized Catholics, to become our 'companions in mission' and experience the joy of sharing the love of Jesus with other peoples. May God bless you all!*

## PRAYER FOR OUR PARISH COMMUNITY

### Corpus Christi, June 7<sup>th</sup>, 2015

As the Eucharistic Jesus is carried in Procession through the streets of our town this Sunday, these are some of the intentions we might bring before the Lord in prayer.

We pray for all the people of our community as we go through life together. May we care for and respect one another. May we be tolerant of one another in our differences. May we not be divided but rather work together for the good of the whole community.

We pray for the children and all among us who are defenceless and small. May nothing harm them. May we lead them to know the truth. May we have the courage to protect the vulnerable, the immature, the inexperienced.

We pray for young people whose lives lie ahead of them; that they may go forward with open and receptive minds to meet their future, that they may learn to live with life's uncertainties and be able to face disappointments. May they learn to accept themselves and never to lose heart. May they do well in their exams. May their wisdom and enthusiasm be appreciated by the older people.

We pray for those who are in the prime of life, that their lives may be fruitful. May they not be self seeking but seek the welfare of others. May they not be lonely, complacent or closed to others. May they not lose faith in God.

We pray for the seniors in our community. May they stay young at heart. May they have wisdom and openness, and allow latitude to younger people. May they not be left out but share their wisdom and experience of life.

Lord Jesus, truly present in the Eucharist, we ask your blessing on us, strengthen our faith, guide us along the path to what is right and true.
