OBITUARY

Paddy O'Brien, World's End

The death took place, suddenly in Cork, of **Paddy O'Brien** on Friday 15th January 2021.

Paddy was born on Monday 21st January 1963. He died less than a week short of his 58th birthday. His family were involved in fishing. Both Paddy's parents died when he was young and he had his own struggles and difficulties in life. He also had a kind nature.

The funeral Mass was celebrated by Fr. Robert and there followed a prayer service at the Island Crematorium, Ringaskiddy.

We extend our sincere sympathy to Paddy's sisters Catherine and Mary, his brothers John, Timmy, Tommy and Jimmy, nephews, nieces, extended family and friends.

May he rest in peace.

OBITUARY

Anthony Muelmeester, Haven Hill

The death took place, peacefully in Cork University Hospital, of **Anthony Muelmeester** on Saturday 16th January 2021.

Born in 1930 in Rotterdam, Holland, Anthony lived through the Second World War. He was the eldest of a family of seven. He developed a very successful steel company, Hercules BV, which offered top quality innovative equipment for construction and oil refinery work. He came on a fishing trip to Kinsale and settled here.

The funeral service was in St. John the Baptist Church. The burial was to St. Eltin's cemetery.

We offer our deepest sympathy to Anthony's wife Geraldine, daughters Sylvia, Ria and Monica, sons Aad and Rinus, in-laws, grandchildren, great-grandchildren and extended family.

May he rest in peace.

CATHOLIC SCHOOLS WEEK

Sunday 24th January to Sunday 31st January 2021

Theme: 'Catholic Schools: Communities of Faith and Resilience'.

As we live through an unprecedented time of challenge and uncertainty, our faith and our resilience can be tested. We can ask questions like, 'Will things ever be the same again?', 'When can we get back to normality?', 'Where is God in all of this?' In response to this, we reflect upon how Catholic schools are communities of faith and resilience. In Catholic schools, we are called to support each other and to have faith in the promise of the Good News. Catholic schools are inspired by the belief that God has created each one of us with a capacity to give love and receive love. This love is bound in faith and is more resilient than any virus. While each Catholic school is such a community, every Catholic school fosters the holistic development of its students, promotes their wellbeing and offers them cultivation of a deeper, loving relationship with God. Jesus teaches us to love one another as he has loved us. During Catholic Schools Week we celebrate the gifts and talents we have in following Jesus' teaching. This year we celebrate how we are called to be communities of faith and resilience, through our thoughts, words and actions. In doing so, we live out the meaning of the beautiful hymn 'Ubi caritas et amor, Deus ibi est' – 'Where charity and love are, God is there.'
