## CATHOLIC SOCIAL TEACHING – JUSTICE AND PEACE

Catholic Social Teaching is based on the belief that God has a profound commitment to creation and consequently, that each person has a role to play in promoting peace, justice and love in this world.

A Christian's duty in this narrative is not limited to things 'spiritual', or things we might do on Sundays. Catholic Social Teaching touches upon all aspects of life; from the family to international development, how we think of those who are homeless to how we care for the environment, and from how we shop and consume to the rights of workers and the dignity of work.

**Each one of us has a vocation for the common good**, a call to treat each person as a member of one human family and to treasure the Earth as our common home. Catholic Social Teaching is the Church's wisdom about how we live this vocation in today's world.

*A person has the right to live. A person has the right to bodily integrity and to the means necessary for the proper development of life, particularly food, clothing, shelter, medical care, rest, and, finally, the necessary social services. In consequence, a person has the right to be looked after in the event of ill health; disability stemming from work; widowhood, old age; enforced unemployment; or whenever, through no fault of one's own, a person is deprived of the means of livelihood.*

*Pacem in Terris (Pope John XIII)*

*Extract from Justice and Peace Ireland, an initiative of the Council for Justice and Peace of the Irish Bishops' Conference.*

## AUTUMN STATION DUES ENVELOPES

### SEASON OF CREATION

We have just celebrated the Season of Creation for the first time in Kinsale. Thank you to all those who worked together to raise our awareness of the wonder of God's Creation. Thanks to Fr Robert for his support, to the choirs and cantors for their choice of music, the Altar Society for their flower arrangements, the Parish Assembly groups for the harvest festival display, walks, talks and Facebook posts. Only a few days ago the Pope said, "*Our common home and common family are suffering. The climate emergency is causing rising seas, a warmer planet, and more extreme weather. It's devastating the lives of our poorest sisters and brothers*"

### COP26

"Cop" is short for Conference of the Parties, which refers to the meeting of the 197 members to the United Nations Framework Convention on Climate Change, known as UN Climate Change. COP26 is being held in Glasgow in early November. Pope Francis tells us that "*(COP)represents an urgent summons to provide effective responses to the unprecedented ecological crisis and the crisis of values that we are presently experiencing, and in this way to offer concrete hope to future generations,*" The Parish Assembly will give suggestions as to how we can pray, fast and act towards a positive outcome at COP26. The first step is to sign the Health Planet Petition promoted by Pope Francis, <https://thecatholicpetition.org/> Please sign up, we can make our voice heard.
