SYNOD OF THE CATHOLIC CHURCH 2021 – 2023 An invitation to think, discuss and discern

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And You shall renew the face of the earth.

Pope Francis has invited the whole Church to reflect on some fundamental questions in preparation for the Synod of Bishops in Rome in October 2023 and so that every baptised member of the Church is more aware of his or her mission and calling.

Pope Francis often talks about a “Synodal Church” – by this he wants to draw attention to the fact that each of us, because of our baptism, has a role to play in the Church; we are all *together on the same road*. (This is what the word Synodality means – it comes from the Greek words *syn* meaning *together* and *hodos* meaning *way*.) Because we have received the gift of the Holy Spirit we are asked to reflect on these questions with the Spirit’s help, speak about them with the Spirit’s inspiration and listen to what others say, understanding that the Spirit may be speaking to us in what we hear from others.

The Fundamental Questions that Pope Francis wishes to consult the whole People of God about are:

A synodal Church, in announcing the Gospel, “journeys together.”

- *How is this “journeying together” happening today in your local Church?*
- *What steps does the Spirit invite us to take in order to grow in our “journeying together”? (Par 26, Synod Preparatory Document)*

There is an animated explanation of what the synod is at [www.https://synod.ie/multimedia-resources/](https://synod.ie/multimedia-resources/) scroll to the bottom to "synod on synodality-all you need to know through sketches"

WORLD DAY OF THE SICK **Friday 11th February**

This year marks the 30th anniversary of the institution of World Day of the Sick by Pope Saint John Paul II: a day that encourages everyone to be attentive to those who are suffering and to support those who care for them. Since its institution, much progress has been made medically and scientifically. Yet, we are reminded by Pope Francis that we still have much to do to ensure that those who are poor or marginalised receive the health care and pastoral care that they need.

“The theme for this year’s World Day of the Sick is *“Be merciful, even as your Father is merciful”*.”

A PRAYER FOR THE SYNODAL PATHWAY

Lord of all hopefulness, as we embark on this journey together, may we listen and discern and be guided by the Holy Spirit, who constantly breathes new life into our world, our hearts, our families, homes and parishes.

May renewal and reform, fresh hope and healing come for all people of God in Ireland.

By virtue of our baptism may we each play our part in transforming the church through a fresh outpouring of the Holy Spirit which is your gift and promise, upon our land.

Grant us the encouragement we need to bring faith, hope and love in abundance to meet the challenges before us and to fulfil the Church’s mission of proclaiming to the world, God’s love and salvation in Jesus Christ.

A Mhuire Mháthair, mother of the Church, guard and guide us on our pilgrim way. Amen.
